ORDER

A hearing on the application of Monroe County Water District (“Applicant”) for an adjustment of rates pursuant to 807 KAR 5:076 was commenced on Wednesday, September 27, 2017, at 10:00 a.m. at the offices of the Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witness testimony could not be completed on the assigned hearing date and as a result, the hearing was reconvened on Wednesday, October 25, 2017, at 9:00 a.m. for the purpose of completing sworn testimony. At the conclusion of witness testimony, counsel for the parties advised that they wished to file post hearing data requests and the Commission advised counsel for Applicant that it would like a post hearing brief articulating the position of his client as well as addressing how he and his client would propose the Commission decide future cases where the applicant in an alternative rate filing case disputed Commission staff’s reliance upon published depreciation schedules.

IT IS THEREFORE ORDERED that:

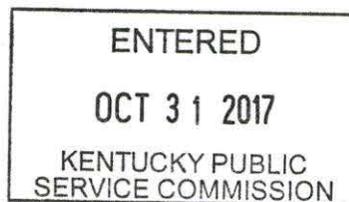

1. Post hearing data requests, if any, shall be filed on or before Friday, November 3, 2017.

2. Responses to post hearing data requests shall be filed on or before Friday, November 17, 2017.

3. Counsel for Applicant shall, on or before Friday, December 1, 2017, file a memorandum brief in support of his client's post hearing position and which also addresses how he and his client would propose that the Commission resolve the issue in future cases where the applicant in an alternative rate filing case disputes the recommended useful life of an asset by Commission Staff which is based upon a published depreciation schedule.

4. The Attorney General's Office of Rate Intervention ("AG") may, if desired, file a memorandum brief on or before Friday, December 1, 2017. In the event a brief is filed by AG the Applicant, counsel for Applicant may file a reply brief on or before Friday, December 8, 2017, after which this case shall stand submitted for a decision by the Commission.
